\*not to scale

- How To Assemble:** Slide your tablet into the (B) Bottom Section of the Hard Case, plugging it in to the USB-C connector. Then, slide the (A) Top Section of the Hard Case over the tablet and press the two sections together until you hear a satisfying click.

- How To Disassemble:** Using the included (C) Tool, insert the tip into one of the connecting joints of the Hard Case. Press down on the tool's handle to release the clip. Repeat on other side. Slide the (A) Top Section and (B) Bottom Section apart to remove the tablet.

RMR-INS-GDS-SKIN-HC

#### Safety Precaution

Do not install this product near or over an airbag deployment area or in a location that obstructs the driver's vision or interferes with vehicle operation. National Products, Inc does not assume responsibility or liability for any such personal injury, death or property damage.

RAM® products are designed to function flawlessly, though there is always the potential a product may not function as expected. Product issues can often be resolved by the customer prior to sending in for warranty or replacement. If you experience issues, please follow the guidelines below:

Troubleshoot charging issues with your GDS® Dock™:

- Verify that the power cord is securely plugged into the dock as well as the wall power source. Ensure that the power source is functional by testing with an alternate electronic device.
- Verify that the IntelliSkin® connector is securely connected to your device.
- Verify that the IntelliSkin® is seated properly in the receptacle of the GDS® Dock™.
- After verifying the above steps, see below to verify that your GDS® Dock™ and IntelliSkin® have been properly cleaned.

GDS® General Care & Maintenance:

- For spills or accumulated dirt on the GDS® Dock™ pogo pins, gently clean using contact cleaner or alcohol on a cotton swab. Use contact cleaner or alcohol with a stiff brush to clean IntelliSkin® contacts.
- For industrial and heavy use environments, clean pogo pins and contacts on a regular basis.

3-year warranty on all electronic components/Lifetime Warranty on all non-electronic components

The exclusive NPI Lifetime Warranty states that all GDS® non-electronic components and parts are warranted against defect in materials and workmanship for the life of the product or part. NPI's Lifetime Warranty covers the product or its components only. The mount device is not covered under the Lifetime Warranty and will not be replaced if damaged as a result of mount failure. This warranty is expressly limited to persons in the United States, and all foreign countries who purchase GDS® for resale or use in the ordinary course of the buyer's business. This warranty does not cover any product or part that has been abused, worn out, heated, ground or otherwise altered, used for a purchase other than that for which it was intended, or used in a manner inconsistent with any instruction regarding its use.
