

# RAM® Form-Fit Cradles for Apple iPhone 11 Series

These high-strength composite, form-fit cradles were designed specifically for the Apple iPhone 11, 11 Pro, and 11 Pro Max. Allowing for easy one-handed docking and removal, all buttons, cameras, ports, and speakers remain exposed and accessible. The 2-hole AMPS pattern on the back of each cradle and the included hardware allows for the attachment of a RAM® diamond ball base—compatible with a wide range of additional RAM® components.

## Compatible Devices:
