

RAM® EZ-Roll'r™ Series for Apple 7th Gen, Air 3 and Pro 10.5

Available in key and combination locking versions, this form-fitting RAM® EZ-Roll'r™ holder secures a range of compatible iPad models while keeping the device fully functional. To dock the iPad, simply roll the top clip over the device while placing against the holder. Allowing for one-handed placement and removal of the iPad, this holder also features an attachment point on the back compatible with RAM® round ball bases. All cameras, side buttons, and the charging port are left conveniently exposed and accessible.

Compatible Devices:

Apple iPad 7th Generation
Apple iPad Air 3
Apple iPad Pro 10.5

Features:

- Form fit design secures device without case
- Open design allows for full access to all ports, buttons, switches, and cameras
- RAM® round ball base compatible
- Available in locking and non-locking versions
- Backed by a lifetime warranty
