

Powered Cradles for Honeywell CT50 & CT60 Handheld Computers

These spring-loaded powered cradles allow you to secure the Honeywell CT50 and CT60 – with or without Honeywell hand straps. Each cradle includes a stylus holder and is compatible with RAM® two-hole AMPS pattern diamond bases that connect to B and C size ball mounts, allowing for a wide variety of mounting options (hardware included). For charging capabilities, see the list of compatible GDS® chargers below.
