

GDS® HandStand™ with Magnetic Hand Strap

The GDS® HandStand™ is specifically designed for field use and the enterprise customer. Its unique design integrates a comfortable hand strap that's compatible with a gloved hand, while also featuring the ability to be rotated 360 degrees for an ideal viewing angle. In addition, an integrated kick stand allows for positioning the tablet on a flat surface for on the go operation of your tablet. Compatible with any RAM® Skin™ or IntelliSkin® sleeve that features the unique circular interface as an attachment point, this version of the GDS® HandStand™ includes a magnetic strap for securing devices to a variety of metal surfaces.

Compatible Device:
IntelliSkin® and RAM® Skin™ cases

RAM-GDS-HS1MU
