

IntelliSkin® with GDS® Technology™ for the Apple iPad mini 5

IntelliSkin® is a protective sleeve featuring GDS® Technology™ for the Apple iPad mini 5. Wrapping around the device, IntelliSkin® provides military-grade drop protection and features an integrated GDS® connector molded directly into the skin that prevents damage to the device's charging port. The exterior of the IntelliSkin® sleeve includes contacts designed for repetitive docking in field applications with a variety of compatible GDS® Docks™ and accessories.
