

# IntelliSkin® for Apple iPad Pro 12.9"

IntelliSkin® is a protective sleeve featuring GDS® Technology™ for the Apple iPad Pro 12.9" (3rd Generation). Wrapping around the device, IntelliSkin® provides military-grade drop protection and features an integrated GDS® connector molded directly into the skin that prevents damage to the device's charging port. An attachment slot on the right allows the user to secure the Apple Pencil. The exterior of the IntelliSkin® sleeve includes contacts designed for repetitive docking in field applications with a variety of USB Type-C GDS® Docks™ and accessories.
