

IntelliSkin® with GDS® Technology™ for the Samsung Galaxy Xcover 4s

IntelliSkin® is a protective sleeve featuring GDS® Technology™ for the Samsung Galaxy Xcover 4s. Wrapping around the device, IntelliSkin® provides military-grade drop protection and features an integrated GDS® connector molded directly into the skin that prevents damage to the device's charging port. The exterior of the IntelliSkin® sleeve includes contacts designed for repetitive docking in field applications with a variety of USB Type-C GDS® Docks™ and accessories.

Compatible Device: Samsung Galaxy Xcover 4s

RAM-GDS-SKIN-SAM51
