

IntelliSkin® for the Samsung Galaxy A20

IntelliSkin® is a protective sleeve featuring GDS® Technology™ for the Samsung Galaxy A20. Wrapping around the device, IntelliSkin® provides military-grade drop protection and features an integrated GDS® connector molded directly into the skin that prevents damage to the device's charging port. The exterior of the IntelliSkin® sleeve includes contacts designed for repetitive docking in field applications with a variety of USB Type-C GDS® Docks™ and accessories.

Compatible Device:
Samsung Galaxy A20

RAM-GDS-SKIN-SAM61

Features:

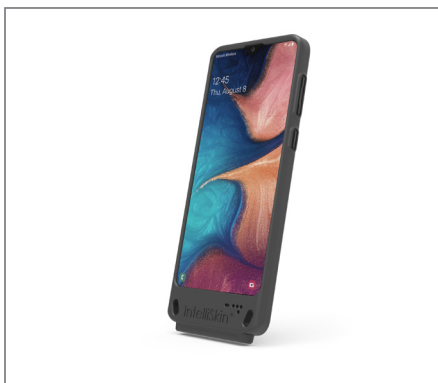

- IntelliSkin® wraps around the device providing drop protection
- Integrated GDS® connector allows for repetitive charging in GDS® Compatible™ docks
- Corner attachment point allows for shoulder strap or lanyard connection
- 3-year warranty on all electronics
