

# RAM® EZ-Roll'r™ Locking Series for Apple iPad Air 1, 2, Pro 9.7, 5th & 6th Generations

Available in key and combination locking versions, this form-fitting RAM® EZ-Roll'r™ holder secures a range of compatible iPad models while keeping the device fully functional. To dock the iPad, simply roll the top clip over the device while placing against the holder. Allowing for one-handed placement and removal of the iPad, this holder also features an attachment point on the back compatible with RAM® round ball bases. All cameras, side buttons, and the charging port are left conveniently exposed and accessible.

## Compatible Devices:

Apple iPad 5th Gen  
Apple iPad 6th Gen  
Apple iPad Air 1  
Apple iPad Air 2  
Apple iPad Pro 9.7

## Features:

- Patented RAM® EZ-Roll'r™ technology securely holds device in place
- Available in keyed and combination locking versions
- RAM® Mounts Compatible™ with B and C size round ball bases
- Secures device in cradle without use of case
