Locking Powered Cradle for Zebra TC70, TC-72, TC-75 & TC-77

This locking, spring-loaded powered cradle with stylus holder secures the Zebra TC70, TC-72, TC-75 & TC-77 with or without the Zebra Handstrap accessory. To lock, simply insert the device and push the button. Compatible with RAM® two-hole AMPS pattern diamond bases, the cradle easily connects to B and C size ball mounts (hardware included). For charging capabilities, users can take advantage of the RAM-GDS-CHARGE-V7-M55U for hardwire applications or the RAM-POW-CIG-M55 cigarette charger.

Compatible Devices:
Zebra TC70, TC-72, TC-75 & TC-77
